

**REMARKS:**

The Examiner is thanked for the Office Action of February 28, 2002. The Examiner has made a restriction with respect to claims 1-26. Applicant has cancelled claims 1-26 without prejudice, and added new claims 27-59. No new matter has been added. Claims 27-59 are all drawn to a water control system for prisons. As such, the restriction requirement is no longer necessary. Applicant submits that the Examiner may properly withdraw the restriction requirement in light of the above.

Applicant requests examination of new claims 27-59. It is believed that no fee is due with this submission. Should that determination be incorrect, then please debit Account 50-0548 and notify the undersigned.

Respectfully submitted,

William C. Schrot
